## ONGOING PROJECTS

---

### **Ethnic Discrimination in Russian Court Decisions Amid Evolving Social Norms**

*with Arsenii Shcherbov*

We examine the shift in the strictness of judges’ decisions on several types of cases before and after the war announcement. We hypothesize that these changes may be driven by the war announcement and the subsequent intensification of nationalistic ideas propagated by the ruling party, specifically affecting attitudes towards the ethnic minorities.

## GRANTS AND RECOGNITIONS

---
